

BDFC HOUSE LEAGUE AND DEVELOPMENT PROGRAM REFUND FEE POLICY

Purpose: The purpose of this policy is to clearly define the circumstances in which participants in our House League and Development programs are eligible for a refund of registration fees.

Policy: Blue Devils FC will honour refund requests for the program for which the participant has been registered until 30 days prior to the start of the program. This policy encompasses our House League (Outdoor and Indoor) programs, as well as all Skill Development sessions.

All refund requests must be submitted in writing to the Senior Operations Manager of Blue Devils FC, and all refunds are subject to a \$30/player administration fee.

No refunds will be provided after these deadlines, except in the following circumstances:

- A player cancelling registration on medical grounds will qualify for a full refund (if injured prior to program start). In the event of a mid-season injury, the participant will be eligible to a pro-rated refund, based on the number of games remaining after the date of the injury, with a deduction for the player's uniform. In both cases a doctor's note is required.
- Please note that where the injury is soccer-related while participating in a Blue Devils FC Soccer program, no refund can be provided, as this would cause insurance coverage to be negated.

Circumstances of Force Majeure

If there is any cancellation, modification, suspension, postponement, delay or shortening of any Blue Devils FC soccer programs, events or travel due to any causes beyond BDFC's reasonable control, such as an event or circumstance of force majeure, BDFC is not liable or responsible to provide any refunds. A force majeure event or circumstance is beyond the reasonable control and without the fault or negligence of BDFC. A force majeure event or circumstance may include, but is not limited to the following: acts of God, radiation or contamination, pressure waves, earthquakes, field closures, labour disputes, strikes, riot, war, COVID-19, diseases, pandemics, epidemics, plague, natural disasters, floods, fires, severe/adverse weather conditions, travel bans, governmental acts, interventions or regulations.

In signing the registration form for House League or Development, registrants accept the Club's House League and Development Refund Policy conditions, registration conditions and the financial implications.
